****Vet A / B, C**:** The A&B are a combined trophy class. The C class is a separate class.

****Mini Quad Stock**:** These machines must be factory stock, up to 90cc. This class is intended for Polaris Predator 50 & 90, Arctic Cat DVX 50 & 90, Honda TRX 90, Yamaha Raptor 50 & 80, Eton Viper 50, 70 & 90 etc. (There may be additions to this list). Must be an automatic or auto shift, and no expansion chamber type exhaust. Exhaust must be factory stock with NO modifications and less than 3 inch outside diameter from the cylinder to the muffler. The Only changes allowed are: Handlebars, wheels and tires (same size) and chain tensioner.

****Mini Quad Production**:** These machines must be auto shift or auto clutch. Bolt on modifications and engine modifications allowed as long as you retain OEM stock frame and motor cases for your make and model machine. Mini Quad Stock machines can also run this class.

****Mini Quad Modified**:** May use any mini quad and modify or run stock in this class, as long as the engine is a maximum of 90cc 2 stroke or 150cc 4 stroke, "shifter type" and dirt bike transplant motors allowed.
